2. [REDACTED] LIAISON Received a call from Abram Shulsky, Senate Select Committee on Intelligence staff, who said he had read in this morning's New York Times a statement which Admiral Turner had made in a 14 November news conference in Chicago. The statement referred to Soviet intercepts of U. S. communications. Shulsky asked for a transcript of the press conference. Later in the day, Shulsky came by the office and picked up the transcript.

8. [REDACTED] LIAISON Called Audrey Hatry, Clerk, Senate Select Committee on Intelligence, and asked her when the Agency would receive a copy of [REDACTED] DDO, testimony regarding the Frank Snepp charges. After checking with Bill Miller, Staff Director, Hatry told me that the Committee's policy of providing a transcript to the Agency applied only to DCI testimony and, therefore, [REDACTED] would have to review the transcript on the Committee premises.
